

ACTIVITY FEES FOR 2016-2017 SCHOOL YEAR

Dear Parent/Guardian:

To help alleviate the constant need to send money to school with your child, we have decided to create a one-time discounted activity fee for all students. You still have the option to pay for field trips and activities as they come up; however, we are allowing you to pay for all activities with this rate. Return this form and money to your child's teacher by **Friday, October 7, 2016**. Checks and money orders can be made out to Horizon Science Academy Elementary. Fees can also be paid by debit and credit cards in the front office.

ALL FEES ARE NON-REFUNDABLE

Activity Fees will be \$45 per student (2 or more students will pay \$40 each) this will include the following:

- Fall Field Trip
- Spring Field Trip
- Group Field Trip in May, K-2 or 3-5
- COSI on Wheels
- Tie Dye Shirts for Field Day

This is an approximate cost. Prices may increase based on individual field trips if trips if not paid in advance with activity fee.

****Permission slips will still need to be signed for each trip****

Sincerely,
Ms. Jessica Shoaf, Director
